

Bachelor of Science (Honours)

Course code: HHSC

Course Requirements

To attain the Bachelor of Science (Honours) students are required to complete 96 credit points consisting of:

- two 48cp units, RBM4003 Science Honours 1
- and RBM4002 Science Honours 2.

Science Honours 1 is weighted 35% and Science Honours 2 is weighted 65% of the overall GPA grade for the Science Honours course. A single, final mark and grade is awarded at the completion of the course, with the grade allocated to the RBM4004 Science Honours 2 unit. The weighting aligns with the requirement for application and entry to many doctoral programs which require the thesis to form more than 50% of the Honours grade.

Students are required to enrol in all units for semester 1 and 2, and are not permitted to enrol in more than 48 credit points per semester as a full-time load.

Credit Points

A credit point is used to measure the study load for a unit. A standard unit consists of 12 credit points, with each completed unit's credit points adding up to meet your required total of credit points to complete your course.

Further Information

Unit and course information is available from the University course search site at <http://vu.edu.au/course-search> or go to <https://askvu.vu.edu.au> or Phone VUHQ on 03 9919 6100

Campus

Footscray Park (FP)

College

College of Sport, Health and Engineering

Study Mode

Full Time

Duration

1 year Full Time equivalent

Fee Type

For information on course fees, refer to <http://vu.edu.au/fees>

Application Method

VTAC - <https://vtac.edu.au>

Year 1

Unit Code	Unit Title	Unit Type	Sem	Credit Points	Campus	Pre-Requisites
RBM4003	Science Honours 1	Core	1, 2	48	FP	
RBM4004	Science Honours 2	Core	1, 2	48	FP	RBM4003

Prerequisites

A number of units within the degree have ‘prerequisites’. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

Core

A unit that must be completed
